

The **Washington Independent Inns Network Annual Conference & Trade Show 2024** is a must-attend event for anyone in the Pacific Northwest's hospitality industry! Join us in person at the gorgeous [Angel of the Winds Casino Resort](#) on November 13 and 14 for an exciting 2 days of networking and learning.

The theme of the conference is "**Potlatch! A Gathering of NW Independent Lodging Professionals.**" This gathering is geared especially for those who own or manage bed and breakfasts and smaller independent inns in Washington, Oregon, Idaho, and British Columbia. However, anyone with an interest in the innkeeping industry can attend. This event is the perfect platform for independent inn owners, managers, and industry professionals to come together and share their experiences, ideas, and best practices. From innovative marketing strategies to effective management techniques, our conference sessions cover a wide range of topics to help you stay ahead in this competitive industry.

Our **Networking Reception & Trade Show** is a fantastic opportunity to connect with suppliers, vendors, and service providers who specialize in the hospitality sector. Discover the latest products and services that can enhance your guests' experience and take your inn to new heights.

But it's not all work and no play! We believe in fostering a sense of camaraderie among attendees, so we've planned some fun social events and networking activities. Mingle with aspiring, current, and former (retired) innkeepers, forge new partnerships, and make lasting connections in a relaxed and informal environment.

In the Native American culture, the meaning and purpose of Potlatch is somewhat complicated. In simple terms, it is a gathering where an individual or family gives gifts to those who attend the gathering! At the WIIN Potlatch, the gifts we give are the sharing of innkeeping ideas, skills, and tools while experiencing camaraderie and fun together. Learn more about the meaning of Potlatch and how it relates to our purpose from our keynote speakers from the Stillaguamish Cultural Center.

Don't miss out on this incredible event that brings together some of the best minds in the industry. Join us at the **Washington Independent Inns Network Annual Conference & Trade Show 2024** and take your inn to greater heights!
